PETITION TO WITHDRAW HOLDING OF ABANDONMENT

(37 CFR 1.181(a))

Dear Sir:

Applicants hereby petition that the Notice of Abandonment, dated July 14, 2008, of the above-identified application be withdrawn. It is submitted that a Response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office was timely filed based on the underlying facts are as follows:

1. The above-referenced application received a Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office, mailed December 19, 2006. (See Attachment A)
2. On January 5, 2007, the undersigned attorney filed a Response to Notification of Missing Requirements. (See Attachment B)
3. The Response to Notification of Missing Requirements was received by the United States Patent and Trademark Office on January 10, 2007. A copy of the post card is attached hereto for reference. (See Attachment C)
4. On August 13, 2007, the undersigned attorney received a Notification of Defective Response dated August 10, 2007, indicating the oath or declaration of the inventors was not in compliance with 37 CFR 1.497(a). Also the Notification indicated the surcharge charge of \$130.00 as set forth in 37 CFR 1.492(h) was not received. (See Attachment D)
5. On September 7, 2007, the undersigned attorney states that a Response to Notification of Defective Response, check no. 398785 in the amount of \$130.00 and return postcard in response to the Response to Notification of Defective Response were in fact deposited with the United States Postal Service via first class mail dated September 7, 2007. A certificate of mailing accompanied this Response, and attached newly executed declarations. (See Attachment E)

6. A copy of the return postcard reflecting the mailing date of September 7, 2007 of the Notification of Defective Response which bears the United States Patent and Trademark Office date stamp of September 11, 2007 is enclosed. (See Attachment F)

7. A copy of the cancelled check number 398785 mailed with the Response on September 7, 2007 is enclosed. (See Attachment G)

Accordingly, the application has been improperly held abandoned. Applicants respectfully request the above-identified patent application to be withdrawn from abandonment and proceed to examination. The Commissioner is hereby authorized to charge Deposit Account No. 02-0390, Baker & Daniels, the fee of \$130.00 under 37 CFR 1.17(h). and any additional fees that may be due in connection with this Petition.

Respectfully submitted,

Applicant's response filed 01/10/2007 is hereby acknowledged. The following requirements set forth in the NOTIFICATION of MISSING REQUIREMENTS mailed 12/19/2006 have not been completed.

The applicant needs to satisfy supplemental fees problems indicated below.

The following items **MUST** be furnished within the period set forth below in order to complete the requirements for acceptance under 35 U.S.C. 371:

- Oath or declaration of the inventors, in compliance with 37 CFR 1.497(a) and (b), identifying the application by the International application number and international filing date. The current oath or declaration does not comply with 37 CFR 1.497(a) and (b) in that it:
 - does not identify the application to which it is directed.
- Surcharge (for late submission of filing fee, search fee, examination fee or oath or declaration) as set forth in 37 CFR 1.492(h) of \$130 was not received.

SUMMARY OF FEES DUE:

Total additional fees required for this application is \$130 for a Large Entity:

- \$130 Surcharge.

Applicant is required to complete the response within a time limit of ONE MONTH from the date of this Notification or within the time remaining in the response set forth in the Notification of Missing Requirements, whichever is the longer. No extension of this time limit may be granted under 37 CFR 1.136, but the period for response set in the Notification of Missing Requirements may be extended under 37 CFR 1.136(a).

Applicant is reminded that any communications to the United States Patent and Trademark Office must be mailed to the address given in the heading and include the U.S. application no. shown above (37 CFR 1.5)

**DECLARATION (37 CFR 1.63) FOR UTILITY OR DESIGN APPLICATION USING AN
APPLICATION DATA SHEET (37 CFR 1.76)**Title of
Invention**DEVICE FOR INSTALLING AN OPTICAL FIBRE IN A SPLICE CONNECTOR**

As the below named inventor(s), I/we declare that:

This declaration is directed to:

- ☐ The attached application, or
- ☒ Application No. 10/578,239 filed on 10/27/2004 (I.A.)
- ☒ As amended on 05/04/2006 (if applicable);

I/we believe that I/we am/are the original and first inventor(s) of the subject matter which is claimed and for which a patent is sought;

I/we have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment specifically referred to above;

I/we acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me/us to be material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT International filing date of the continuation-in-part application.

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

All statements made herein of my/our own knowledge are true, all statements made herein on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeopardize the validity of the application or any patent issuing thereon.
